### High School Program Details . . .

To meet district diploma requirements, students must acquire 23.0 credits (24 credits for class of 2020) approved by Vancouver Public Schools. Students should expect to spend a minimum of 5 hours per week for each credit course. Students will be enrolled in six classes. Classes are two days per week.

If a student does not have a scheduled class during a period they are required to report to the computer lab to work on assignments, online classes, and contracted Edmodules.

\*\*Running Start students must be enrolled in a minimum of one onsite course. If no courses are scheduled onsite the student must enroll at the neighborhood high school.

### Middle School Program Details . . .

All classes are two days per week, but require substantial time at home facilitated by the parent partners to complete course objectives. Grade 7 - 8 students may be enrolled in up to 14 hours of classes onsite each week, including enrichment, (Friday) classes.
